Dear Mr. Burgett:

This refers to your Petition for Rule Making filed June 9, 2005, proposing the deletion of Channel 234C at Kingman, Arizona and its subsequent allotment at Yucca, Arizona as its first local aural transmission service.

On June 14, 2005, the Commission released a *Notice of Proposed Rule Making* in MB Docket No. 05-210, looking toward a comprehensive revision of the procedures by which we amend the FM Table of Allotments.¹ Pending resolution of this rulemaking proceeding, the Commission imposed a freeze on the filing of petitions for rule making to amend the FM Table of Allotments, effective June 9, 2005, the adopted date of the *Notice*.

In view of the fact that your Petition for Rule Making was filed subsequent to this freeze, we are returning your Petition for Rule Making.

Sincerely,

A handwritten signature in black ink, appearing to read "John A. Karousos", written over a large, loopy flourish.
